

About Us

We are a non profit organization registered with Government of Ontario. We are the largest full time street Dawah group in Canada. Alhamdulillah.

We have been spreading the message of Allah (SWT) and His Prophet (PBUH) in Canada since 2010.

We distribute translations of Quran in more than 15 languages.

Tens of people have so far accepted Islam Bi-iznillah.

Why Canada

Canada is home to 32 million Non-Muslims.

Canadian human rights and freedom of speech offer an ideal opportunity to engage people in respectful dialogue.

Street Dawah

We invite people to Allah (SWT), answer questions and clear misconceptions about Islam. Rain or shine, we give full time Dawah Monday to Friday.

We distribute more than 30,000 Islamic publications for FREE within and outside of Canada every year with the help of Allah (SWT).

Services Offered

We are constantly working with various Muslim and non-Muslim organizations to introduce Dawah programs to Universities, Schools, Colleges, Community Centers, Mosques, Jails, US Navy, Hospitals, etc.
